

Computer Generated Art Specifications

**All Computer Generated Art must be accompanied by a print out of the art,
with the program type and version stated.**

(The print out may be faxed, it is just to let us know if what we are seeing in the file is correct.)

Trans Tech uses a PC platform, primarily. Preferred program is **Adobe Illustrator**.
We can also accept files created on a Macintosh platform.

Compatible Programs:

Program name followed by format

- **Adobe Illustrator** (.ai, .eps, .pdf)
- **Macromedia FreeHand** (.fh, .pdf)
- **Corel Draw** (.cdr, .pdf)
- **Adobe Photoshop** (.psd, .eps, .tif, .jpg)
- **Autocad 2006** (.dwg, .dxf) Note: AutoCad files are not considered final camera ready art, but can be used to create art from.

Mandatory Requirements:

- **All text (fonts) used must be provided in suitcase form, or type should be converted to outlines!**
**** (If not converted to outlines, Trans Tech may not have the correct font or it may not look exactly the same as on your computer.)*
- **If providing scanned images, save as .tif file**
- **Provide all linked graphics.**
- **If .eps files are used and placed into a document, we will not be able to manipulate graphics.**

Media:

- E-mail
- CD
- DVD

All E-mail must be accompanied by company name, contact and phone number.
